

SHNA INJURY POLICY

1. The **Competition Coordinator** is to ensure Injury Report forms are provided with each score board at the beginning of competition days.
2. When the **Team/Club Official** has completed the Injury Report it is to be handed in to the **Competition Coordinator** at the Clubhouse. It is essential that the form is handed to the Competition Coordinator or another Executive Member to ensure all required information has been obtained.
3. In the event of an injured player being taken to hospital during the game it is the **Team/Club Official's** responsibility to delegate an appropriate adult to gather relevant information regarding the injury.
4. In the event of the **Injured Player** not being able to answer questions or complete the injury form it is the **Team/Club Official's** responsibility to ensure that the **Competition Coordinator** is advised of the injury. The **Competition Coordinator** will then follow up with the **Injured Player** to complete the Injury Report.
5. The **Injured Player** can access the required insurance paperwork via their Club or the Southern Highlands Netball Association website.
